RE: Elementary Music Program

Hello Parents;

We would like to expand our elementary music program by introducing our students to an instrument, specifically the ukulele. We believe that students who learn to play an instrument tend to do better in school and it certainly allows them to demonstrate their creativity. Most importantly, it allows our students another venue (learning to play an instrument) to praise and glorify God

The purpose of this letter is to see if any parents are able to make a donation to the school so that we can purchase the instruments. A good quality ukulele cost \$64 and we would need 21 (class set) instruments.

If you are able to make a donation to the music program, please make your cheque out to Brant Christian and indicate on the cheque that it is for the music program.

Thank you for considering our request.

Sincerely,

Kevin Bailey
Principal
