

AUCTION NEWS

Volume 24, Issue 1 Sept.25/20

Dear Friends and Families of Brant,

It is the time of year when we start planning our annual auction fundraiser. As you may have guessed, this year is going to look somewhat different than in the past. Due to restrictions on gatherings we will not be able to hold an in person auction and dinner. However, because this is the school's largest annual fundraiser we have decided that instead we will be holding an online auction.

Details as far as how the auction will be run are still being worked out, but...

WE NEED YOUR HELP!

We are encouraging each school family to bring in at least **1 donation** to be used in the auction. These items can either be purchased personally **OR** use your connections with the companies you do business with in the community to collect donations.

Businesses that make donations will be given recognition in the auction which is a great way for them to get some extra advertising.

You will find a donation form attached to this newsletter to be filled out by whoever is making the donation.

We will be collecting donations until **October 26, 2020**. The items, along with a completed donation form, can be sent to the school up until this date.

More details regarding how and when we will be running the auction will be provided in future newsletters so stay tuned.
