THE FINAL COUNTDOWN

5 MORE DAYS
until the online auction
goes live!!

One of the benefits about this year's auction is that it doesn't cost anything to attend!

Which means, we can invite all of our Grandmas & Grandpas, Aunts & Uncles, Cousins & Friends *and* they might have a little extra money to spend because they didn't have to purchase tickets.

A link to the auction will be sent by email on Friday.

Please share it with anyone you know that would happily support our school.
