## MEET OUR STAFF: Mr. Ken Kroeker

I began my teaching career in 1985 teaching junior and senior high sciences in Calgary. I moved in 2010 to teaching the sciences at Brant Christian School. I am married to my wife Carol who is a professor teaching in the faculties of Medicine, Nursing and Kinesiology at the University of Calgary. I have four awesome children; Sarah (husband Liam) who is teaching the largest grade 5/6 class here at Brant Christian School, Emily (husband James) who teaches inclusive education with the CBE, Rebecca (fiancé Austin) who is working on her Education degree at the UofC and Matthew who is completing a Science degree at the UofC. My family attends Southview Alliance Church in Calgary where my wife and I are involved in the Children's Ministry. I enjoy gardening (flowers and vegetables), photography, hiking in the Rockies, swimming and boating at Bird Lake Cottage in Muskoka, Ontario as well as travelling across Canada and around the world.

I explore everyday as to how "God created the heavens and the Earth" (Genesis 1:1) and filled it with his glory. Whether together we are studying flowers and butterflies, matter and chemicals or the physical laws of the universe, "let us all rejoice and be glad in it
