

Please note: Kindergarten to Grade 12 will transition to online/at home learning, effective May 10 (*May 7th is a regular Friday off*) and will return to in-class learning at Brant on Wednesday, May 26th after the long weekend.

K to Gr. 4 – K-4 work during this at-home learning time is paper based. All students were sent home with a start package on Thursday, May 6 so that they'll be ready to go for the beginning of the week. Following that, families will be able to pick up new material and drop off completed work at the High River Baptist Church on Thursday (between 8:30am and 3:30pm) or Friday (between 8:30am and 1:00pm). Tables will be set up in the foyer with labelled materials for each class. More detailed information relating to specific classes will be sent to families by their child's teacher.

Gr. 5/6 – Schedule & information attached to email

Builders needed:

We are in need of 4 volunteers who know how to swing a hammer. We begin construction of our mower shed on Monday under the direction of Dave Brunning. If you would be willing to come and act as his assistants, either Monday or Tuesday, that would be very helpful

Please contact kevin.bailey@pallisersd.ab.ca and let me know which day works best for you and how long you would be able to stay.

Donations are still being accepted for the cost of the shed.

MEET OUR STAFF

Mrs. Suzanne Larsen-Wall – Grade 1/2 Teacher

Hello! My name is Suzanne Larsen-Wall, and I teach the morning program for our Grade 1/2 students, focusing on reading, writing, and math. I fully enjoy the enthusiasm and energy of this age group, and am blessed to be a part of our community here at Brant.

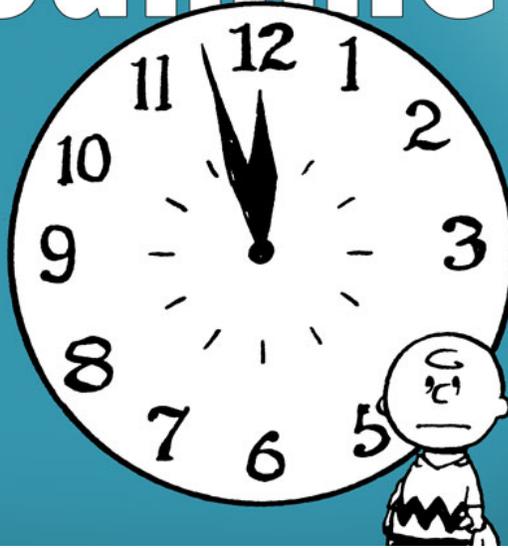

I had the privilege of growing up on an acreage on the outskirts of Airdrie, where I was encouraged to explore, investigate and create, not just in God's creation outdoors, but also with thoughts and ideas during discussions with my large extended family. This expanded my already substantially and naturally inquisitive nature! Whether building a go-cart, wandering the fields with our animals, or watching the first steps of a newborn foal, I learned that the world God has given us is a wondrous place full of possibility. It is this sort of wonder, curiosity and creativity that I strive to bring to class and instil in our children each day.

So, when not teaching you may find me rambling somewhere through Kananaskis country, digging in my garden, playing my keyboard, creating art of one sort or another, or curled up with my ginormous cat on the couch with a coffee and a good book. (Though truthfully, the likelihood of finding coffee near me at any point in time is quite high, as our students well know!) I am an avid reader of all sorts of genres and authors. Really anything from JRR Tolkien, CS Lewis and Ransom Riggs to HG Wells, Madeline L'Engle, the Bronte sisters and beyond is fair game.

I am grateful to be teaching here at Brant, and look forward to encouraging our students in their understanding and relationship with God, each other, and helping them learn how to be His light to the world around them.
