Dear Parents,

Welcome to fall and another wonderful year at Brant Christian School. We have increased our enrolment this year and welcomed some wonderful new families to Brant. The Brant board would like to take the time to welcome you and give the new families a little explanation on how our alternative school runs.

Brant is under the umbrella of the Palliser School Division; we have a great working relationship with our school division, and they support us wonderfully. They are in charge of all things school and curriculum related and employ our amazing teaching, support, and administrative staff. The board works very closely with our Administration and the School Division to achieve our school goals.

Brant Christian School Society has a board, we are elected from the society, which you are a part of when you pay your society fees. We oversee all things building related, bussing and governance of the society and Administrator. We hold a yearly AGM in January. This meeting is vital to keep the lines of communication open from the board to the society members. Watch for details of when the upcoming AGM will be happening.

We hold our regular society board meetings the second Tuesday night of the month at the Full Gospel Church in High River. As a society member these meetings are open to you, we just ask you to let the Chair know if you plan to attend. We are always looking for volunteers within the school, whether that is helping with our yearly fundraising auction, weekly hot lunches or a more major role of sitting on the society board. Please feel free to contact any of the board members if you have any questions or have a desire to serve in some capacity.
