

AUCTION NEWS

Dear Friends and Families of Brant,

It's time to start planning for our annual auction fundraiser! The auction is our school's largest annual fundraiser for our Christian Education programs, including sports and the arts. Due to restrictions on gatherings we will be hosting the auction **ONLINE** this year. **OPENS: NOV. 6TH and CLOSES: NOV. 13TH**

HOW YOU CAN HELP!

We encourage each school family to bring in at least **1 donation** to be used in the auction. These items can either be purchased personally **OR** collect donations from businesses you have connections with within the community.

Businesses that make donations will be given recognition through free advertising at the auction.

You will find the donation form attached to this newsletter to be filled out by whoever is making the donation.

We will be collecting donations until **Nov. 1**. Items, along with a completed donation form, can be sent to the school up until this date.

More details regarding the auction will be provided in the future newsletters. Stay tuned!
