It's almost here!

The auction starts next week. So far we have some awesome donation items, but we need more. Check out the current items on the back of this newsletter. There's something for everyone, from kids to grandparents, and what a perfect way to fill out your Christmas list!

STILL HAVE QUESTIONS?

Can't find something you like?

There's lots of options! Donate what you were planning to spend, consider donating back the cost of purchasing banquet tickets or what you would've spent on babysitting because the auction is online this year.

Wondering what to donate?

If you're still not sure what to donate consider what you have on your own Christmas list and buy that! There's probably someone else who wants it or your spouse might see it and buy it back! It's a win-win for you AND for the auction!

**The link to the auction will be posted
on the school website
www.brantchristianschool.ca**
