

Dear Brant Christian School Parents,

It's February, when love is in the air, and our high school prayer club would love to create love packages for Valentine's Day! But these are not typical gifts and they're not for your stereotypical recipients. We need YOUR help to be a blessing!

Our heart is for the hurting in our broader community, specifically those trapped in human trafficking. We want to collaborate with a Christian agency called Next Steps Ministries in creating love packages to gift to women in Calgary who are forced to work in massage parlours and on strolls.

Each gift bag will consist of:

- a) a gently-used (or new) purse, attractive reusable bag, fannypack, and/or backpack.
- b) We will fill each package with simple, practical items. We will also write a card of encouragement to place in each bag, and pray over the bags.

This is completely optional, and not expected! But if you would love to contribute to the cause, we are asking each class to donate a specific type of item for our love packages. [Please bring the item\(s\) to the school by next Thursday, February 16th.](#)
